And Carers**

**Dedicated to providing
caring and Professional**

**In-Home Care
Services**

To Our Community

**Availability of Services
24 hours a day
7 days a week
365 days a year**

The **Carers That Care** agency have a dedicated team of trained, caring support workers willing and eager to provide the best In-home care for people in our community.

Our Mission

Provide the best of care for Clients and Carers.

Our Vision

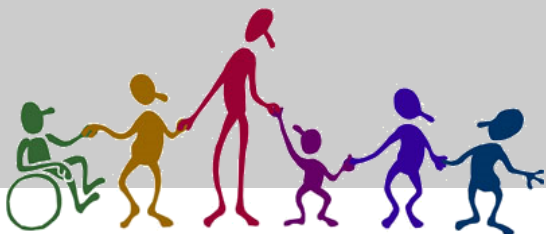

Carers That Care is dedicated to promoting the concept and acceptance of cultural diversity by providing holistic care to all clients. Carers That Care is dedicated to training and supporting our Carers so as to deliver specialized services to our community.

Our Purpose

Carers That Care exists to provide a range of quality support services and care to the frail, aged and disabled so they can live independently at home within their community

Our Values

CARE	Compassion
Reliability	Empathy
Discretion	Integrity
Confidentiality	Diversity

Personal Care

Our Personal Care Assistants provide professional support to people who have difficulties conducting activities of daily living in their own home.

Services Include :

Grooming	Hair Care
Oral Hygiene	Bowel Care
Bathing	Urinary Care
Exercises	Eating/Feeding
Transferring	Dressing/Undressing
Shaving	Medication Management

House Cleaning Duties

A tailored service plan is drafted and rostered based on your home cleaning needs.

Duties may include :

General Cleaning	Laundry
Fridge/Freezers	Ironing
Changing Beds	Dusting
Washing Floors	Vacuum
Stoves and Ovens	

Food Preparation

Our service will :

- ⇒ Monitor dietary needs
- ⇒ Plan and prepare
- ⇒ Cook, serve and clean up

All duties are carried out with standard hygiene procedures.

Errands

Everyone has errands to do outside the home. We offer help with shopping & paying bills in order to reduce the stress of errand demands.

Overnight Support

Care and support throughout the night.

Pet Care

We help you to look after the one you love.

Caregiver Respite

Our Respite Service provides temporary relief to primary caregivers. A caregiver may be a spouse, son, daughter, friend or relative. Respite can provide services to the care receiver; it can involve assisting with activities of daily living/personal care.

Companionship

A companion's role is to provide friendship and support.

Activities may include :

- ◆ Talking over a cup of tea
- ◆ Sharing experiences/hobbies
- ◆ Playing games i.e. cards, scrabble.

Advocacy Support

The Term **ADVOCACY** for our agency means : "Speaking, acting, and writing on behalf of people or a group to promote, protect and defend their rights, welfare & justice."
